E) The benefits and Risks of Teenagers Engaging in Social Activism.

In my opinion social activism is ~~the~~ dangerous but not more than the cops work. Social activism is helping for our country. This thing is helping for our country in development and in safety. Teenagers engaging in social activism. And in my opinion "social activism" is helping us. And this thing not really dangerous, ~~but~~ ~~in~~ ~~some~~ ~~time~~ it may be dangerous. Like in situation in that teenagers laying on the road to protect our weather. In my own opinion the "social activism" have more benefits than "the risks".
